

ENVIRONMENTAL POLICY STATEMENT

Management of Barry Chinn Associates regard the promotion and conservation of the environment as a mutual objective for management and employees at all levels.

We are fully committed to protecting and enhancing the quality and variety of our working and local environments and are committed to working pro-actively with and communicating this policy to our employees, clients, suppliers, sub-consultants and external influences to achieve a safer, cleaner, healthier and sustainable environment, which will meet present and future legislative needs.

The objectives of this policy are to:

- ❖ Reduce the production of waste and encourage wherever possible it's recycling.
- ❖ Encouraging greater staff involvement by energy awareness training and the understanding of environmental issues and continual environmental improvements.
- ❖ Encouragement of staff to become more efficient and sustainable in their use of and the preservation of energy.
- ❖ Evaluating environmental impacts when considering new equipment or processes.
- ❖ Prevent pollution and nuisance.
- ❖ Management of the safe and effective disposal of waste materials and hazardous waste through approved agencies.

Barry Chinn Associates will comply with environmental laws and regulations relevant to our practice and will closely monitor our office practices, to ensure that all operations are effectively managed and controlled in accordance with the requirements of BS EN ISO 14001:2004 and BS EN ISO 9001:2008.

This policy will be communicated to all staff and any necessary external interested parties i.e. suppliers and sub-consultants that may be working on our behalf, and will be available to the public via Barry Chinn Associates web site: www.bca-landscape.com

Management will formulate quality and environmental objectives on an annual basis, during management reviews and will ensure the routine monitoring, measurement and continual improvement of the environmental management system and performance.
